

# Music 2010

## Music: Let's Hear it! (Senior secondary)

**Music: Let's Hear it!** is a complete, self-contained program to develop your aural skills and improve your ability to answer structured aural questions about the concepts of music. These include: performing media, tone colour, duration, tempo, pitch, dynamics, expressive techniques, texture and structure. For ease of use, music excerpts for all questions in **Music: Let's Hear it!** are included in the companion 3 CD set which contains over 100 music excerpts.
