Biology VCE

Units 1 & 2, 3 & 4

Written to the VCE Biology Study Design this completely new series for the VCE curriculum contains all the necessary content for the core study area and a framework for the development and assessment of SACs and was written by Joanne Burke, St Leonards College, Victoria.

The full colour texts feature extensive sets of exercises (with detailed answers in the back of the book) plus numerous additional questions for homework and/or assessment, including a chapter on 'Skills and Processes'.
